

FUNCube-1

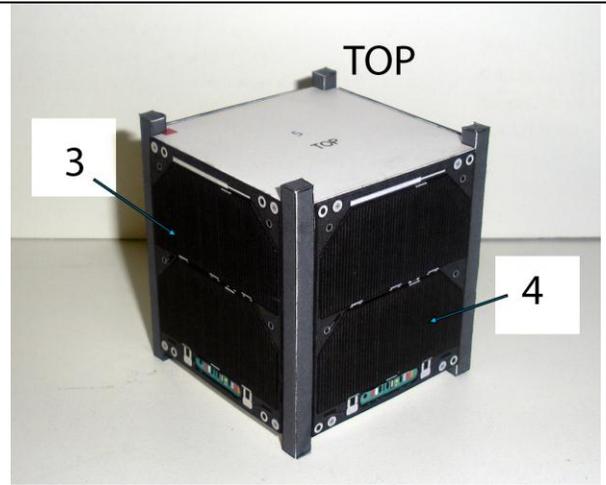

1/2 Scale Paper Model Instructions

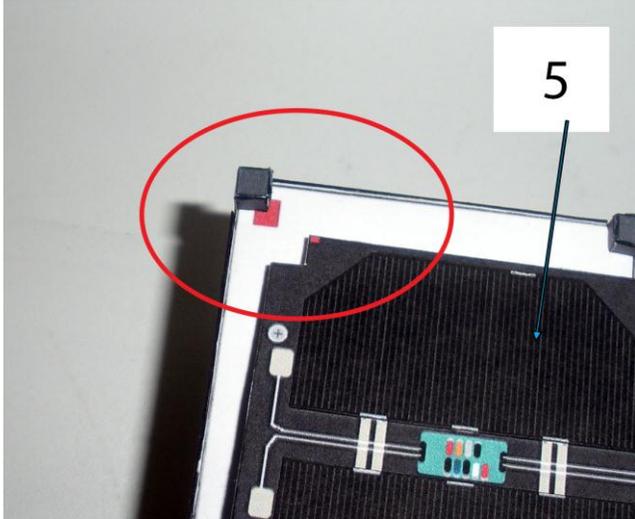

Ends on **part 2** folds into boxes.

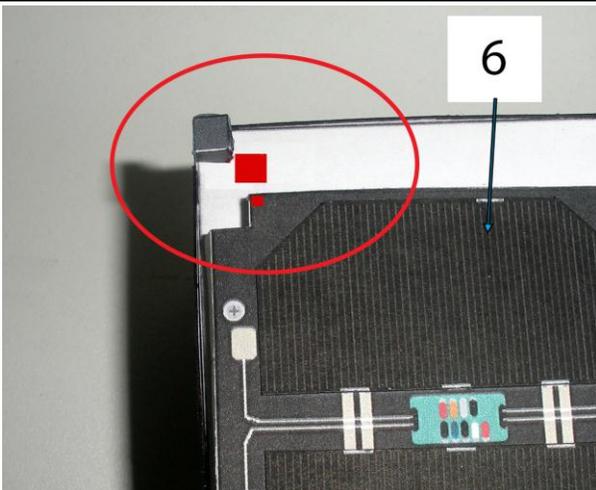

If desired start gluing the optional detail parts (Solar Cells) to parts **3 - 6**.

Glue **3 - 4** to cardstock. For a realistic look, cut out the green area from bottom of parts 3-4. Glue parts 3 and 4 onto their labeled sides on the body.

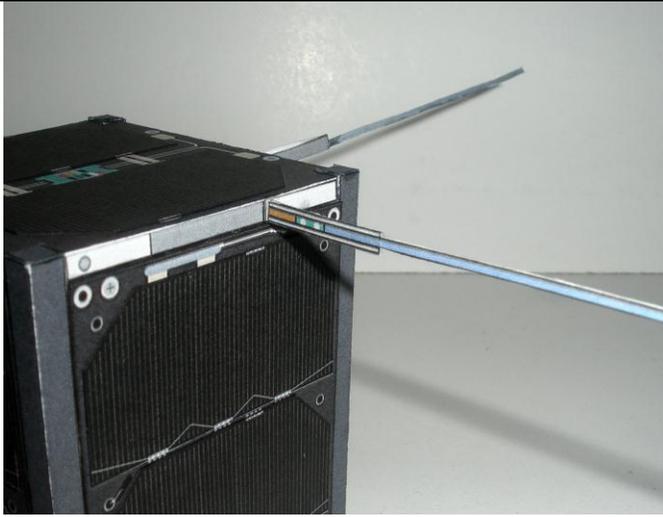

Glue **5** onto the TOP, match the red markers for proper orientation.

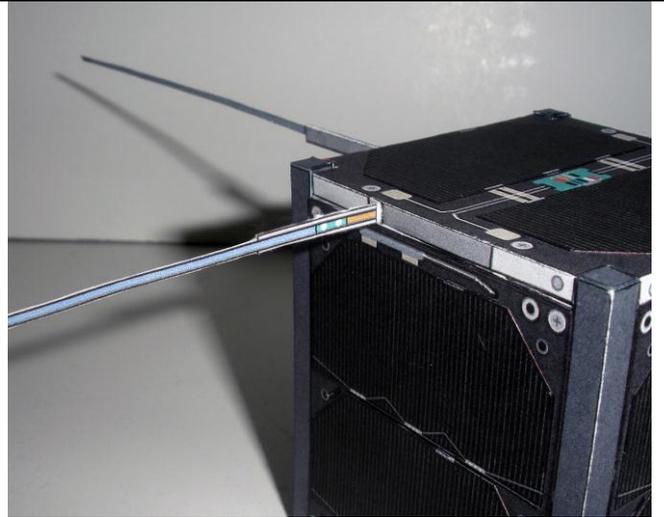

Glue **6** onto the BOTTOM, match the red markers for proper orientation.

Antennas are optional.
Fold-glue the tab end together . Glue each to the small square on the TOP (Part 5) as shown. The graphic side faces the long shaded area – see photos.
