

Pencil Rocket - 2 stage version

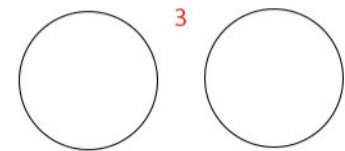

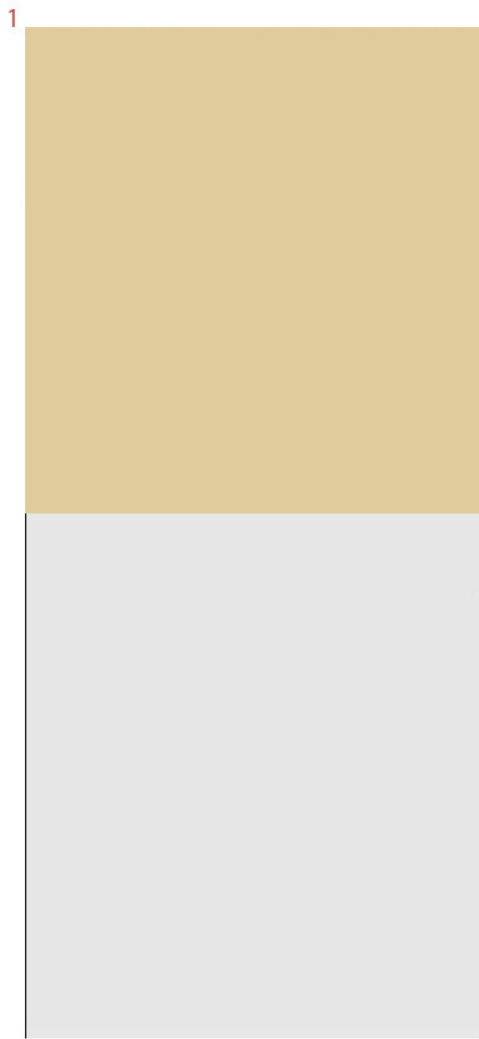

1/1 Scale paper model 2nd stage

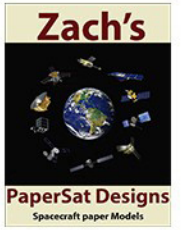

8a

Nose Cone

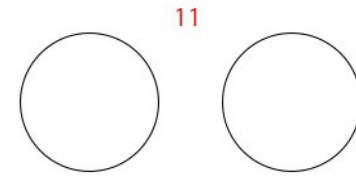

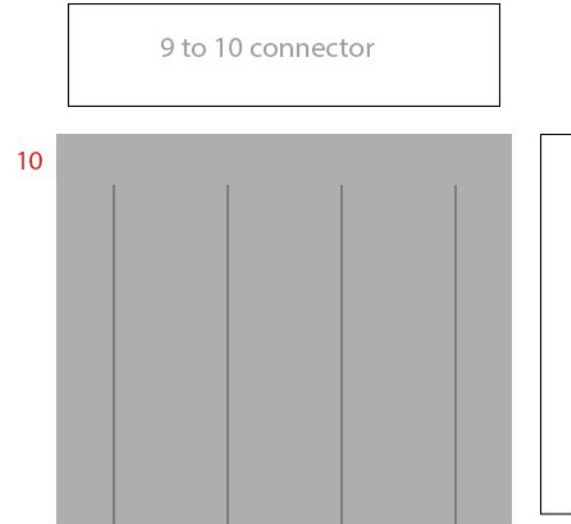

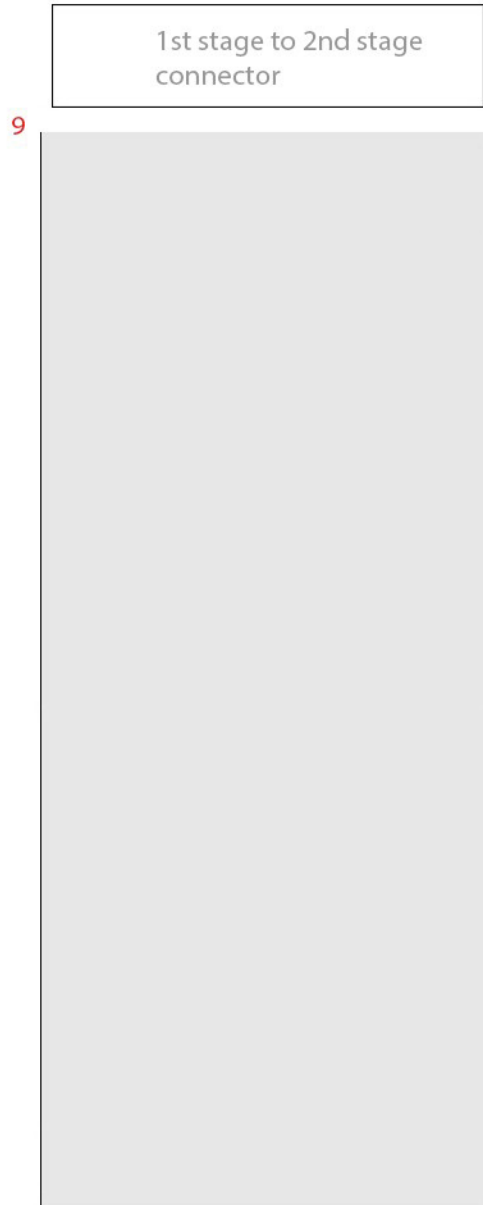

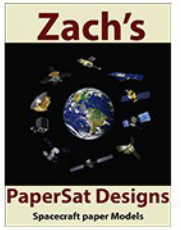

Formers, glue to cardstock

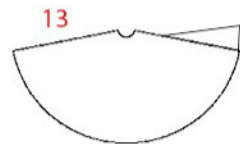

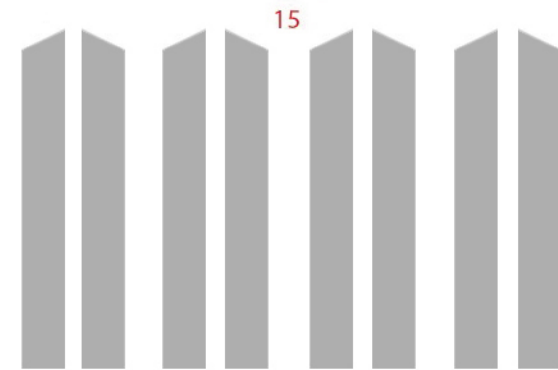

Pencil Rocket - 2 stage version

1/1 Scale paper Model 1st stage

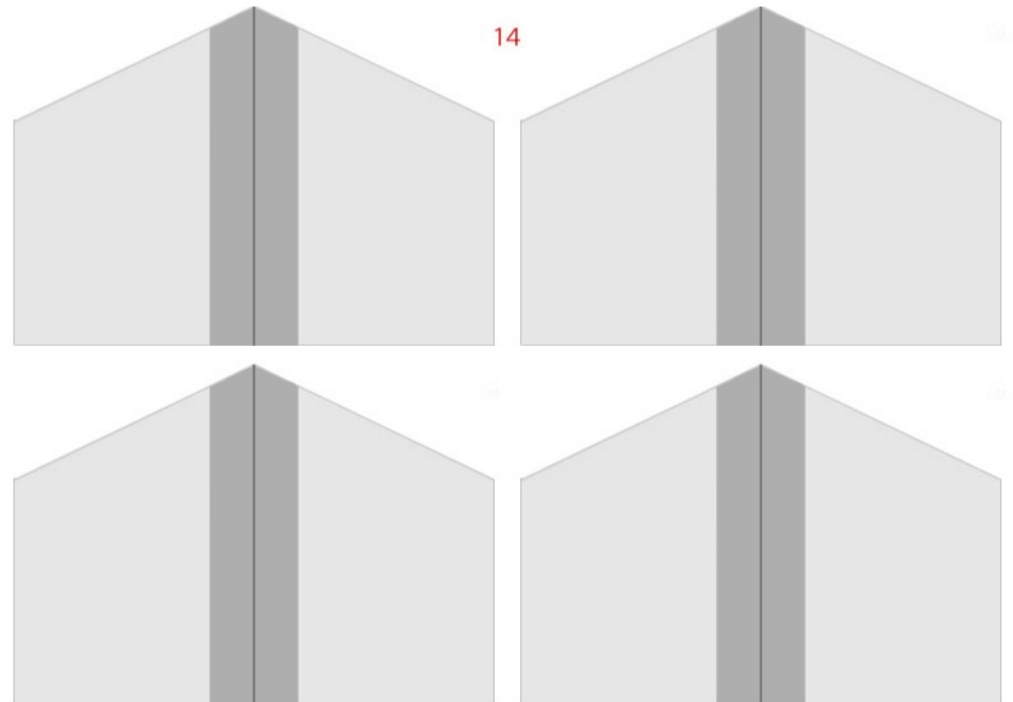

Formers, glue to cardstock

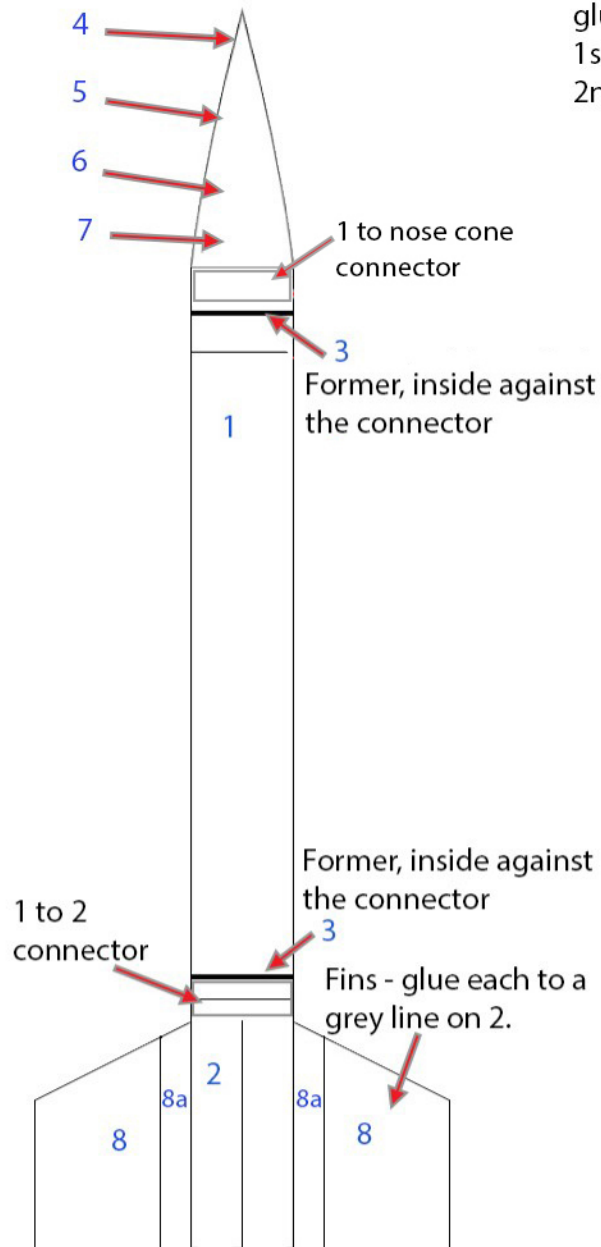

Color back Black

Remove the light blue circle from 12.
Roll 13 to a cone, glue 13 to the BACKSIDE of 12 for embedded nozzle.

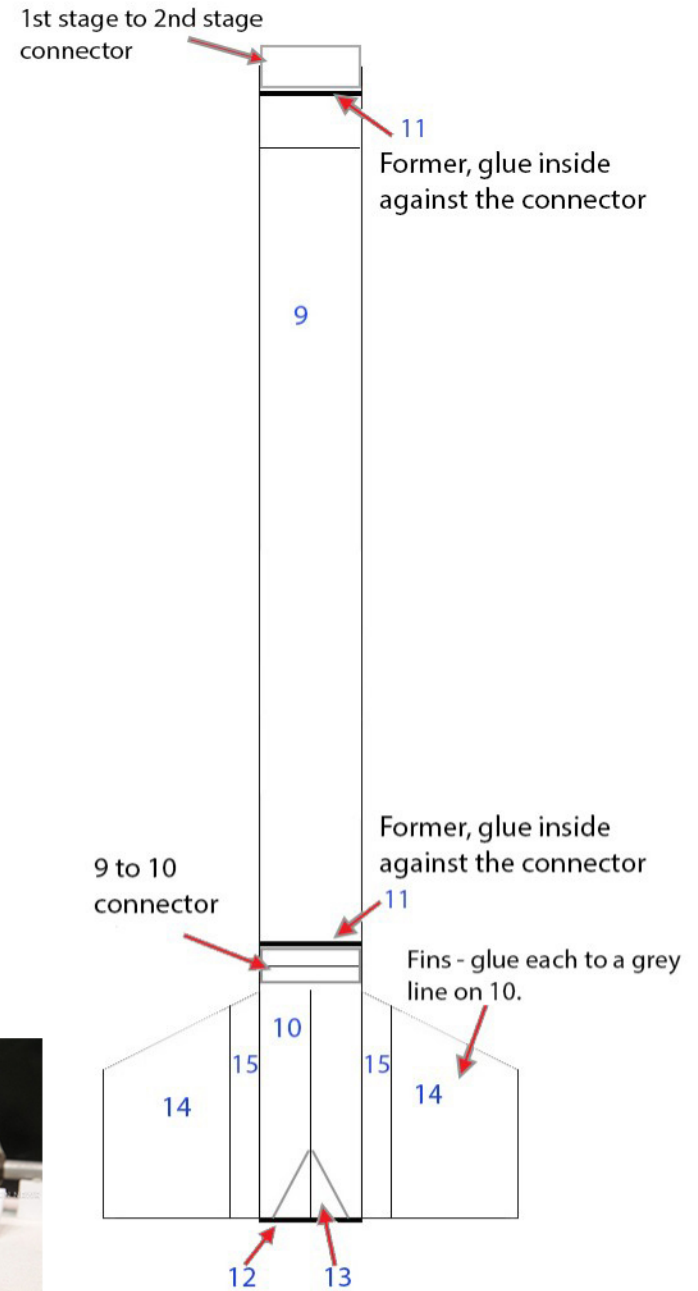

2nd Stage

When both stages are complete, glue the 2nd stage on TOP of the 1st stage using the "1st stage to 2nd stage connector":

1st stage

Pencil 300 on display in Japan with the Pencil 2 stage in the background
